

Bond Election Is Set For Nov. 30th

Fourth Year Closes

REV. J. O. QUATTLEBAUM

Rev. J. O. Quattlebaum will close his fourth year as pastor of the local Methodist Church next Sunday. The annual conference will start next Wednesday at Vernon.

While no definite word has been received from the Bishop regarding a change in the local church, Rev. Quattlebaum expects to be moved to a new charge next year. It is the policy of the Methodist Church to never leave a pastor at a charge more than four years.

Rev. Quattlebaum will take a good report of conditions in the local church to the annual conference. He will preach his final sermon of the year next Sunday morning.

The Men's Chorus of W. T., under the direction of Wallace R. Clark, will give a Vesper Service Sunday evening from 6:30 until 7:30 o'clock. All interested in music are invited to this service by Rev. Quattlebaum.

Armistice Day Is Being Observed

Legion Members Have Annual Celebration of Event

Armistice Day is being celebrated in Canyon today.

Many of the business houses are taking the entire day off, and those which were not closed for the entire day will take the afternoon off.

The annual Armistice Day observance started Sunday for the members of the local American Legion Post when a number of the members attended the services of the Methodist Church at 11 o'clock Sunday morning. Rev. J. O. Quattlebaum preached a special Armistice Day sermon.

A dinner will be given at noon today at the Legion Hall for all members of the Post and members of their families. The invitation list is restricted this year to those who have paid their dues for this year.

The Legion is sponsoring the football game at Buffalo Stadium between the Canyon Eagles and the Dumas Demons this afternoon. This game stands between the Eagles and the district championship. Dumas is bringing a strong team, and will put up a hard fight against the Eagles.

Coldest Temperature of Fall Brings Considerable Ice Wednesday

The coldest weather of the fall hit Tuesday night when the temperature dropped below freezing for the first time. There was considerable ice yesterday morning, and all vegetation seems to have been frozen.

A light sprinkle started to fall Tuesday morning, but unfortunately the rain stopped before enough moisture fell to do any good for the wheat crop.

WRECK ON HIGHWAY

A produce truck driven by Paul Kern of Nazareth collided with C. R. Flesher's car Saturday evening on the highway south of town. The truck was overturned and badly damaged. The Flesher car lost the left fenders and running board. Fortunately no one was injured in the wreck.

\$10,000 Bond Issue Is Ready For Voters To Pass Upon 66 Blocks of Paving

The voters of Canyon will pass upon a bond election at the special election to be held on Tuesday, Nov. 30. The election was called at a recessed meeting of the City Commission yesterday morning. Bonds in the amount of \$10,000 will be issued if the voters approve the bond issue.

The money will be used in paving 66 blocks of the streets of Canyon. Gaps on the avenues will be closed, and many of the streets running north and south will be paved to connect with the avenues which are now paved.

WPA has approved a grant of \$17,676 for this paving project to pay for labor and material. The city cannot accept this grant without issuing \$10,000 in bonds to pay for the city's share of the job. Since all of the present WPA jobs in the county will be completed about the first of January, the bond issue must be approved, or there will be no work for the men on the WPA rolls after the first of January.

All business and professional leaders of Canyon who have expressed an opinion believe that the bond issue will carry almost unanimously. As one business man put the bond issue: "While people may object to voting for bond issues at this time, there is nothing left for us to do. The men must be given work, or taken care of by the city and county. It looks like a good deal when 66 blocks of paving may be secured by such a small investment on the part of the people of Canyon."

Mrs. J. W. Prichard Died Sunday; Funeral Monday p. m.

Mrs. Nancy Jane Prichard, 75, died Sunday afternoon at 3:35 o'clock at the family home following an illness of several months. She was the widow of the late J. W. Prichard. The family has lived in Randall county for 35 years.

The funeral services were held Monday afternoon at 2:00 o'clock at the Methodist Church, conducted by Rev. J. O. Quattlebaum. Interment followed in Dreamland Cemetery in charge of the Griggs-Thompson Funeral Home.

Pall bearers were: Jay Prichard, Emmett Prichard, Henry Prichard, Houston Prichard, Reginald Prichard and Ernest Prichard.

Surviving are four sons and three daughters: Elmer Prichard of Canadian; Hudson Prichard of Canyon; Ewing Prichard of Amarillo; Sherman Prichard of Pampa; Mrs. Ethel Phillips of Cottonwood, Tenn.; Mrs. Jim Black of Black, Texas; Mrs. Roland McFarlin of Channing.

Four brothers and three sisters also survive: Jim, John, Bob and Spurgeon Adamson of Cottonwood, Tenn.; Miss Laura Adamson of Canyon; Mrs. Belle Truance of Cottonwood, Tenn.; and Mrs. Bonnie Gauden of Mansfield, Texas.

Band Campaign Is Successful

The campaign for funds for the Canyon school band was quite successful, according to the finance committee. The total amount collected has not yet been determined, but the finance committee hopes that a total of at least \$500 will be secured by the end of the campaign. About \$353 in cash has been deposited and a number of monthly pledges taken which will be paid out during the school year.

Mrs. Ray Campbell, president of the Band Parents Association, made the following statement yesterday: "In behalf of the Band Parents Association, we wish to thank the citizens of Canyon for their loyal support in the campaign to finance the Canyon school band. Your response was most generous. A mere 'Thank You' seems inadequate for your gracious giving. Your faith in the future of the band has been demonstrated; it is the part of the band now to give something that Randall county will feel proud of."

"If by chance the finance committee has failed to see any citizen who wishes to make a donation, members of the finance committee will be glad to receive any donations."

Local Chamber Will Hold Annual Banquet Thurs.

New Officers Will Be Named For the Coming Year of Organization; Report on Work

CITIZENS INVITED

Work of Local Organization Is Highly Praised By Leaders

All citizens of Canyon interested in the future welfare of the city are invited to attend the annual banquet of the Chamber of Commerce to be held at the First Christian Church on next Thursday evening, Nov. 18 at 7:30 o'clock.

"This will be strictly a home affair," stated W. A. Warren, president of the Chamber of Commerce. "We want the people of Canyon to get together, discuss what has gone on in the past, and what opportunities are opened for Canyon in the future," continued Mr. Warren.

Officers for the coming year will be elected at this banquet.

The directors are planning to present a full report of the activities of the Chamber of Commerce during the past 18 months when the present officers took charge. Projects which have been discussed by the present officers for future action will be presented.

"The people of Canyon should know more about what the Chamber of Commerce has accomplished and what its program is for the future," stated T. C. Thompson last week. "The present directors have accomplished a wonderful program and they are to be congratulated," continued Mr. Thompson.

Mayor C. R. Burrow praised the work of the present directors, and believes that an opportunity is opened for much development in the future.

All business and professional men and women in Canyon are urged to attend this banquet and hear a report of affairs in which they are highly interested.

New Bridge On Palo Duro Now Is Completed

Two Months More WPA Work Is Provided on Highway to North of Canyon

The new bridge over Palo Duro Creek north of Canyon was opened Sunday. This bridge was widened in order to take care of the heavy traffic on the highway between Canyon and Amarillo. Work on the approaches will continue for some time.

This bridge and the one on Spring Draw, just north of Palo Duro creek, are a new design in bridge structure. They were designated by the engineers of the State Highway Department with low railings in order to provide for the maximum amount of safety on a highway with heavy traffic. The low railings cause less air suction as the car speeds over the highway, and removes the tendency of the driver to pull toward the center of the bridge, thus crossing the black stripe and creating a hazard when cars are meeting. Many accidents on bridges have been charged to high railings which draw the cars to the center.

Under the present appropriation, the Highway Department has about two months' more work in the vicinity of Canyon. WPA labor is being used. Whether or not additional funds will be allotted for work in this section after the first of January has not been ascertained.

Nearly all of the widening work through Canyon has been completed. But it will take at least two more months to complete filling the bar pits north of Canyon and finishing the shoulders as originally planned.

Loafers Damage Lobby of New Postoffice

Unless the people of Canyon respect government property, the new postoffice building will be locked up at 6:00 o'clock in the evening.

Loafers in the building have done considerable damage since the new building was opened in July. An electric switch was broken last week. Yesterday morning pencil marks were found on the plastered walls.

When local people refuse to protect government property they lay themselves liable to heavy fines or imprisonment. But the sad part is that unless these petty offenses stop, the lobby will be locked and those who wish to mail letters or wish to get their mail late at night will be deprived of this privilege.

Citizens who see the lobby being defaced should report the guilty persons to the local officers.

ATTENDED FUNERAL OF J. W. CAMPBELL SATURDAY

J. W. Campbell, 75, died Thursday afternoon at his home in Wichita Falls. He was the father of Ray Campbell of this city. Mr. Campbell had been seriously ill for several weeks.

Mr. and Mrs. Ray Campbell and daughters and S. B. Orton attended the funeral services Saturday. Ray remained in Wichita Falls this week owing to the serious illness of his brother, while the others returned home Saturday night.

Irrigation Is Started North Part of County

Two Wells North of Canyon Are Now Producing 900 Gallons of Water Per Hour

ANOTHER TEST MADE

Land Owners Are Interested In Starting Irrigation Tests

Many farmers and land owners of Randall county are watching with interest the irrigation wells which are now in operation north of Canyon.

Dr. R. A. Duncan and Judge L. M. Fischer are the first two to drill wells for irrigation in that section of the county and get them under operation. The Fischer well is equipped with an electric pump, power coming from the line which serves the wells at the Amarillo water plant located northwest of Canyon on the Palo Duro. This well is throwing a stream of water of 900 gallons per hour. Located near the highway, the well is attracting much attention.

The Duncan well is pumped by an engine and produces about the same amount of water.

Both wells are 200 feet deep. The pumps are set at 160 feet.

Albert Byars has a test hole on his place near the site of these wells and indications are that he has a stronger underground supply of water than was found on either the Duncan or Fischer farms. Mr. Byars is planning for an irrigation well.

Since these wells have been put into operation a larger number of farmers in the north part of the county have considered putting in irrigation plants.

A number of irrigation plants have been installed in the west part of the county, but these two wells are the first to be put into operation in the north section. When it is established that irrigation wells will pay at the depth of water found in Randall county, irrigation wells will be greatly increased in number in all sections of the county.

Land owners have expressed great interest in the trials being made of irrigation wells throughout this section of the Panhandle.

Big Debt Worries Park Officials

State and Federal Officers Go Into Huddle Regarding Palo Duro

What shall be done about the half million debt on the Palo Duro Park?

That problem has become very acute with the National Park Service and the Texas State Parks Board. The income of the Palo Duro is not paying the interest on the debt, and the amount due on the land therefore increases rapidly month by month.

Local citizens have been called into a huddle twice during the past few months to talk the matter over.

Another meeting was held in Amarillo last night. Dr. J. A. Hill and Clyde Warwick were invited to sit in with the park officials. K. N. Clapp of Lubbock and W. J. Lawson of Austin represented the State Parks Board. E. A. Pesonen of Santa Fe and W. F. Ayers of Austin spoke for the National Park Service. Amarillo citizens called to meet the group were: Senator Clint Small, James O. Guleke, Floyd Studer and T. E. Johnson. This group worked on the policy end of the park deal, and what might be expected in the future.

While this group considered policies, a group of lawyers from the Attorney General's department and from the National Park Service were making a close study of the various contracts regarding the Palo Duro.

Definite action on the Palo Duro will be taken in the near future, since it has been found that the present arrangements cannot be carried out.

Red Cross Roll Call Will Start

While the official Annual Red Cross Roll Call does not start until tomorrow morning, a large number of subscriptions were taken this week.

Nearly all members of the Rotary Club took annual memberships Tuesday at the luncheon.

Miss Ruth Cross has reported that many members of W. T. faculty have taken annual memberships.

Mrs. J. M. Daugherty is Roll Call Chairman. She will be assisted by Mrs. J. W. Kleinschmidt, Mrs. T. M. Moore, Mrs. Guy Harp, Mrs. George Taylor, Mrs. Frank R. Phillips, Mrs. Geo. A. Farlow, Miss Frances Wilroy, and Irby Carruth. Herman Hollenstein and George Frank will make the canvass in Umbarger.

While the Roll Call does not officially end until Thanksgiving, Guy Harp, County Chairman, hopes that the canvass will be completed Friday and Saturday.

Six Seniors Finish Home Careers Sat.

Great studs that characterize the churning steps of Lwood Dow, Craig Walling, Oscar Hinger, Bill Harp, Tom Slack and Conway Butler will become history Saturday afternoon when these six senior Buffaloes take their last home stand for West Texas against the N. M. M. I. Bronchos.

Acclaimed as one of the greatest fullbacks ever to climb into a W. T. uniform, Lwood Dow completes three years of service. Dow has piled up more yardage than any other back in his three years as a varsity back. In this tenure he has been a starter in every game except this year when a hand fracture sent him to the sidelines.

Sorrel-topped Craig Walling steps out this year with three varsity letters, two at tackle and one at end. He was shifted to the wing post when the supply of ends was cut down by graduation. On numerous occasions this year, Walling has risen to the occasion and found a place in the hearts of West Texas fans.

Stubby Oscar Hinger came to W. T. in 1933 with little previous ex-

perience but he fitted right in at guard with Al Baggett's version of Notre Dame tactics. His superior blocking and rugged defensive play distinguished him as a truly great lineman.

Bill Harp transferred from Altus Junior College, and when he passed through Canyon it was not his intention to go here but the favorable impression created by the spirit of the school cajoled him to hang over. Almost immediately, he located a regular berth at tackle, and captained the club to a 19-9 win over his home town, the Daniel Baker Hillbillies of Brownwood.

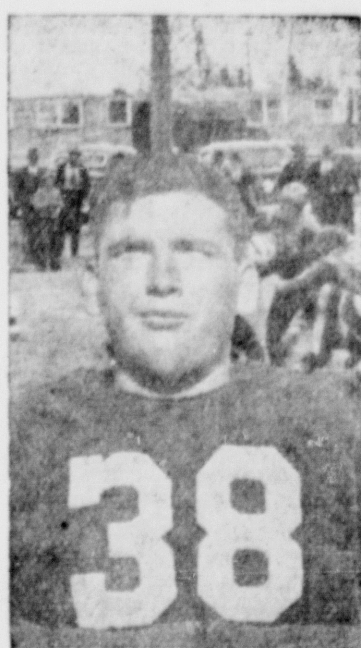

Tom Slack climaxed an otherwise mediocre football career with a 90 yard jaunt with an intercepted pass against the amazed St. Benedict's College of Atchison, Kansas two weeks ago. Slack is the only graduating local product, and he came to W. T. with a wealth of high school experience. At the running back post he has stood out with his shifty and deceptive pace.

Conway Butler earned the nickname "Foot-in-the-Face" last year when he adopted a mania of running over the opposition if they failed to get out of his way. This year he was called upon to shoulder the burden when Lwood Dow took the bench, and what success he has had is bespoken by the last three Buffalo victories.

"STRAIGHT TEXAS" REVIEWED AT MEETING OF CLUB

The home of Mrs. R. E. Foster was the scene of the regular monthly meeting of the Mother-In-Law Club Thursday of last week. Co-hostesses for the occasion were Mrs. E. H. Porter, Mrs. E. Gidden, and Mrs. Foster.

A profusion of fall flowers were used to decorate attractively the reception room.

Mrs. P. M. Munson, presided during the meeting. An interesting response to roll call by the secretary was given by members answering with "Texas superstitions."

A good review was given by Mrs. J. Dan Archer on the book "Straight Texas" by J. Frank Dobie and Mody C. Boatwright, the latter being an ex-student of W. T., graduating here in 1922. A quotation by Mr. Dobie follows, which is characteristic of the book: "The map of Texas is covered with names that tell stories, reveal character, betray sentiments... call up events or express fact. Folk lore and history go hand in hand in the story of Texas." Many names of Panhandle towns are explained in these folk tales as set out in the book.

Mrs. W. J. Hinkle and Mrs. B. B. Cluck led the group in singing several of the better known folk songs. Mrs. E. H. Porter told the beautiful Bible story of Ruth and Naomi, and Mrs. R. E. Foster conducted a Biblical drawing contest at which Mrs. Munson proved the most skilful with Noah's Ark as her goal.

Tasty refreshments were served by the hostesses featuring the Thanksgiving motif. A large number of members and guests were present for the occasion.

Mrs. J. M. Craig will be hostess to the Club on Dec. 2 at her home 1111 Fourth Avenue. Mrs. Cluck and Mrs. T. V. Slack will serve as hostesses with Mrs. Craig.

MRS. EARL CRAIG HAS BLUEBONNET CLUB

Members of the Bluebonnet Needle Club met with Mrs. Earl Craig of 1106 Seventh Avenue, Friday afternoon. Fall flowers were used at places of vantage in the entertaining rooms.

Needle work was the diversion for members during the afternoon and the hostess served a delicious refreshment plate of pumpkin pie topped with whipped cream, and coffee.

Present were Mrs. George Small, Mrs. Tom Brasher, Mrs. W. H. Upchurch, Mrs. Guy Cole, Mrs. J. B. Morrisette, Mrs. Merton Myers, Mrs. R. E. Ball and Mrs. Levi Cole.

The club will meet Nov. 19 for the Thanksgiving party at the home of Mrs. Ball. Gifts will be exchanged by the members at that time.

MEETING TIME CHANGED LAKESIDE CLUB

The Lakeside Home Demonstration Club met last Wednesday at the home of Mrs. John Dickinson. An interesting demonstration on the making and serving of salads was given by Miss Frances Wilroy, county demonstrator.

The club members voted to change their meeting time from 1 until 3 o'clock, instead of meeting later in the afternoon as they have been doing.

Six members and four visitors were present for the demonstration.

MRS. J. H. ROSE GIVEN GOING-AWAY SHOWER

Honoring Mrs. J. H. Rose, who left last week with her husband for Austin where they will spend the winter, Mrs. George Nance and Mrs. Grady Oldham entertained Wednesday afternoon of last week.

The occasion at the Oldham home was a surprise handkerchief shower for Mrs. Rose. Bridge was the diversion during the social period.

A delicious refreshment plate consisting of a salad course with dessert, coffee, tea and mints was served those present.

Those invited were: Mrs. M. E. Cantrell, Mrs. Lonnie Byars, Mrs. Jeff Wallace, Mrs. Ross Craig, Mrs. McDaniels, Mrs. T. H. Knighton, Mrs. Bob Barnett, Mrs. Ray McReynolds, Mrs. J. M. Daugherty, Mrs. N. E. McIntire, Mrs. J. J. Walker, Mrs. Albert Terry, Mrs. R. E. Ball, Mrs. Cas Jennings, Mrs. Dan Sanders, Mrs. Newton Harrell, Mrs. Parker, and Miss Olive Schramm.

MISS WILROY DEMONSTRATES GREEN-LEAFY SALADS

The Zita Home Demonstration Club met at the home of Mrs. Eula Watson Tuesday, Nov. 9. During her demonstration, Miss Frances Wilroy, home agent, made several attractive salads using the green, yellow and leafy vegetables. These vegetables are rich in vitamin A and are necessary to good health.

At the close of the demonstration Miss Ruby Mashburn, district agent, gave an interesting talk. Mrs. D. C. McCormick won a sack of large sweet potatoes grown by Mrs. H. R. Fulton for guessing nearest their weight.

A delicious salad course was served to the following: Mrs. McCormick, Mrs. Rufus Ziegler, Mrs. John Moody, Mrs. Emma Gruner, Mrs. Mary McClaren, Mrs. Eula Watson, Mrs. Baile McCormick, Mrs. E. A. Michael, Mrs. M. H. Rockwell, Mrs. J. P. Upchurch, Miss Wilroy, and Miss Mashburn.

MRS. VIRGIL HENSON HAS CIRCLE WEDNESDAY

Edith Bond Circle members of the Baptist Church met Wednesday Nov. 3, in the home of Mrs. Virgil Henson, 2005 Seventh Avenue.

After a brief business session, Mrs. L. Wirt gave an interesting Bible talk, using as her theme the history of the Jewish people.

Refreshments of snacks, cookies, coffee and mints were served to those present: Mrs. Vaughn Allen, Mrs. Burney Slack, Mrs. Cecil Jones, Mrs. Maurice Bewley, Mrs. Jack Barnard, Mrs. Morris Small, Mrs. Jim Cheyne, Mrs. Bill Money, Mrs. L. D. Keith, Mrs. Wirt, Mrs. George Taylor, guest, and the hostess, Mrs. Henson.

The Circle met yesterday at 3 o'clock with Mrs. Cecil Jones, 1304 Third Avenue.

SUNNY HILL CLUB STUDIES SALAD MAKING

Salads are eaten with more enthusiasm if they are arranged attractively, members of Sunny Hill Club learned from Miss Wilroy at the meeting held Nov. 2, at the home of Mrs. J. B. Knox.

At the business meeting Mrs. L. O. Jennings was elected president after Mrs. S. L. Robinson resigned. Plans were made for a turkey dinner at the next club meeting.

Mrs. Elworth was a guest, and the following members were present: Mrs. Alvis Sykes, Mrs. Carroll Bray, Mrs. A. E. Wise, Mrs. L. O. Jennings, Mrs. S. L. Robinson, Mrs. Henry Ratjen, Mrs. Otto Lehnich, Miss Frances Wilroy and Miss Lois Moreman.

MISS MARGARET PIERLE AND MR. PAUL WARD BECK WED

Dr. and Mrs. Chester Arthur Pierle announce the marriage of their daughter, Miss Margaret, to Mr. Paul Ward Beck of Albuquerque, N. Mex., which took place at four o'clock Saturday, November 6, 1937, at the home of the bride.

Dr. R. Thomsen of Central Presbyterian Church, Amarillo, officiated at the double ring ceremony. Only immediate relatives were present.

MRS. HARRIS COOK HAS "43" CLUB THURSDAY

Thursday afternoon of last week Mrs. Harris M. Cook delightfully entertained the Merry Maids and Matrons Club members together with a few specially invited guests at her home, 1106 Fifth Avenue.

An attractive autumn motif was carried out for the occasion in the table appointments, in the beautiful assortment of fall flowers, and at the refreshment hour when a delicious dessert course was served by the hostess.

Present were Mrs. C. M. Presley, Mrs. E. H. Ackley, Mrs. D. M. Stewart, and Mrs. L. Angel as guests; and the following members: Mrs. C. R. Burrow, Mrs. J. L. Dufflot, Mrs. John Fry, Mrs. Geraldine Green, Mrs. E. D. Harrell, Mrs. J. S. Humphreys, Mrs. R. P. Jarrett, Mrs. T. B. McCarter, Mrs. C. A. Murray, Mrs. A. W. Sternberg, Mrs. T. C. Thompson, Mrs. Dan K. Usery, Mrs. T. H. Campbell, Mrs. W. A. Warren, Miss Edna Graham, and Miss Helen Hickman.

MRS. E. N. ZACHRY HAS QUILTING PARTY

The Westside Home Demonstration Club members met at the home of Mrs. E. N. Zachry last Friday for an all day quilting party.

Mrs. L. D. Winn presided over the business meeting followed by the council report given by Mrs. J. J. Wright; and Mrs. J. E. Hunter gave a report from the exhibit committee. Plans were made for the next meeting.

At noon a delicious covered dish luncheon was served to the following: Mrs. Harley Burrus, Mrs. Charlie Davis, Mrs. J. J. Wright, Mrs. Tony Burrus, Mrs. W. C. Roberts, Mrs. B. A. Burrus, Mrs. L. D. Winn, Mrs. R. A. Burrus, Mrs. Ed Bourn, Mrs. J. W. Bourn, Mrs. Lena Tueck, Mrs. Joe Tueck, Mrs. J. E. Hunter, Mrs. J. A. Smith, Mrs. F. E. Stockhaus and the hostess, Mrs. Zachry. The next meeting will be an all-day affair at the home of Mrs. Ed Bourn.

CENTREVIEW CLUB WITH MRS. E. W. SCHAEFFER

A salad, made from green, yellow and leafy vegetables, should be a part of your menu every day of the week, stated Miss Frances Wilroy, home demonstration agent, at the Centreview club meeting Friday afternoon, Oct. 5, in the home of Mrs. E. W. Schaeffer.

Vegetables served raw are more healthful and can be made to look more attractive. Miss Wilroy demonstrated several different salads, which were all very pretty and easy to make.

The finance committee chairman reported plans for a program and box supper which was adopted, and will be held at the church house Friday night, Nov. 26.

Those present were Mrs. Serena Bryan, Mrs. Harney Rogers, Mrs. Chas. Sutton, Mrs. S. F. Sharpes, Mrs. Lela Rogers, Mrs. E. M. Wilson, Mrs. J. W. Wesley, Mrs. L. H. Barnard, Miss Wilroy and the hostess.

FEDERATION TO GATHER OLD CLOTHES FOR NEEDY

Mrs. F. M. Munson presided yesterday afternoon at the regular meeting of the City Federation in the absence of Mrs. Frank R. Phillips.

Reports were heard from all committee chairmen, and the Federation planned to make a drive to collect old but useful items of clothing for use of the Community Chest this winter. The "Old Clothes" matinee will not be held this year, so members of the City Federation will call at the homes for any bundles of clothing that you might have to turn over to the Community Chest. This drive will be held on Monday, Nov. 29.

It is hoped that enough clothing will be gathered at this time to supply all the demands of the Chest during the winter months.

Remember the date, Nov. 29, and have your bundles ready.

Mrs. Bernis Carmichael of Lamasa visited for a short time with friends in Canyon Tuesday, en route to Amarillo where she will visit her mother.

MRS. CRAIN ENTERTAINS CLUB AT HOME YESTERDAY

Members of the Las Senoras Nuevas Club enjoyed the afternoon yesterday when Mrs. Newton Crain entertained the group at her country home Southeast of Canyon.

Fall flowers were used for house decorations and the patriotic motif was carried out in the table appointments for bridge and at the refreshment hour, when a salad course with coffee was served.

Seated were Mrs. Tom Brasher, Mrs. W. E. Miller, Mrs. Larry Holman, Mrs. A. W. Hawks, Mrs. Warren Johnson, Mrs. J. L. Dufflot, Mrs. M. E. Cantrell, Mrs. Owen Williams, Mrs. Robert W. Foster, Mrs. J. D. Barker, Mrs. R. E. Ball, Mrs. George Nance, Mrs. Robert Jarrett, Mrs. J. Madison Daugherty, Mrs. Hubert Hartman of Amarillo, and Mrs. Mitchell Jones, who was winner of high score prize at bridge.

ROSE APPLEBY CIRCLE MET TUESDAY P. M.

The weekly Bible study was enjoyed Tuesday by members of the Rose Appleby Circle who met at the home of Mrs. T. S. Stevenson. Roses and chrysanthemums made up the attractive floral decorations.

At the social hour delicious refreshments of pie and coffee were served by the hostess to the following guests: Mrs. M. Lackey, Mrs. Ed Week, Mrs. Frank Hicks, Mrs. L. Wirt, Mrs. J. I. Dean, Mrs. Henry Long, Mrs. John L. Hammond, Mrs. Dewey Foster, Mrs. Carl Laughery, Mrs. Mark Laughery, and Mrs. J. Madison Daugherty.

LOCKETT CIRCLE HAS BIBLE STUDY TUESDAY

Members of the Lockett Circle of the Baptist Church met this week with Mrs. Elizabeth Bippus for the regular Bible study.

Coffee and cakes were served to the eleven members and the one visitor present, following the study period.

The next meeting will be with Mrs. W. I. Wester when the 15th and 16th chapters of Romans will be studied.

INSTALLATION SERVICES FOR PRESBYTERIAN MINISTER

On Tuesday morning of this week the General Council of the Presbyterian Church, U. S. A., met in Amarillo for the purpose of setting the date and appointing the committee for the installation of the Rev. Alfred M. Dorsett, who has recently accepted the call to become the pastor of the First Presbyterian Church of Canyon. Under the order of the Presbytery, the installation will be held next Sunday evening at the evening worship hour, 7:30 p. m.

The committee appointed by the Presbytery to have charge of the installation service includes: Dr. Rasmus Thomsen, pastor of the Central Presbyterian Church of Amarillo, who will preach the sermon for the evening; the Rev. Gordon McInnes, pastor of the First Presbyterian church of White Deer who will deliver the charge to the minister, and the Rev. John Thorns, Jr., pastor of the First Presbyterian Church of Hereford, who will deliver the charge to the congregation. The Rev. John R. Sharp of Canyon will preside and represent the Presbytery in asking the constitutional questions which are required by the church. Dr. Frank T. Charlton of Canyon will offer the installation prayer.

The newly elected pastor comes to Canyon from the City Temple Presbyterian Church of Dallas, where he has served for the past two years as Associate Pastor. He is a graduate of Trinity University and Princeton Theological Seminary. At the morning worship hour at 11 o'clock, the Rev. Mr. Dorsett will preach on the subject, "What Doest Thou Here?"

120,878 Persons Have Registered Museum Building

A total of 120,878 persons have registered at the Panhandle-Plains Historical Museum since April, 1934. The museum, located on the campus of West Texas State College, has been visited by 35,343 persons since last April 14. This figure is already larger than that of any other year. In the first calendar year the total was 29,724, in the second 28,831, and in the third 26,980.

The huge collections of objects illustrating early life in the Panhandle and the priceless archaeological specimens are housed in a building placed here by the State and by citizens of the plains who contributed substantially to the cost. The museum is open from 2 to 6 p. m. daily, including Sunday. At night the lighted interior is noted by many tourists. It is on the paved highway to the Palo Duro canyons, hence may easily be seen by persons going there. The two attractions and the rock work on the College campus are recommended as an afternoon's drive for residents of this section.

Prof. C. Stuart Johnston and students of paleontology may be found working on specimens almost any week day. Currently they are assembling large skeletons for display in the museum. The museum collection is now the most complete and most important in existence bearing upon ancient animal life on the plains, notwithstanding that distant institutions have been working in this section for many years.

Skeleton Saber-tooth Tiger Is Presented to Panhandle Museum

A perfect skeleton of the saber-tooth tiger, complete in every detail, has been presented West Texas State College and the Panhandle Plains Historical Society museum by the University of California at Berkeley.

The specimen, so rare that it is found in few museums of this size, and larger, was sent by Prof. R. A. Sturton, of the department of vertebrate paleontology, in recognition of the privileges extended him by the museum, school, and citizens of the Panhandle. He has done considerable collecting on the plains, especially in Donley county. Dr. Chas. L. Camp, director of the University of California Museum of Vertebrate Paleontology, has shown much interest in the local museum and the work of C. Stuart Johnston, assistant professor of paleontology in West Texas State.

The saber-tooth tiger (*Smilodon Californicus*) gets his name from the razor-like pair of teeth which extended six inches or more from his mouth. With these serrated weapons he was capable of killing even the gigantic imperial elephant. He was the fiercest of carnivorous animals, living or extinct, and was larger and stronger than the Bengal tiger. The skeleton was taken from the famous Rancho La Brea tar pits of California, where the bones have been perfectly preserved.

The skeleton will be assembled and mounted for exhibition soon after Christmas. The museum here now has for display the best collection in the country of specimens on the upper pleocene and lower pleistocene epochs of the Panhandle.

While the museum is exchanging specimens to complete its collections, the saber-tooth tiger comes as an outright gift from the University of California. The donation, said Prof. Johnston, should be appreciated by all Panhandle citizens, both for its scientific value and interest and by reason of the spirit in which it was given.

There were saber-tooth tigers in the Panhandle, for instance, and specimens have been taken from the Palo Duro canyons. There were dog-like animals bigger even than the lobo wolf. Evidence of these facts may be seen in the display cases of the Panhandle-Plains Historical Society Museum.

Guests Sunday in the home of Mr. and Mrs. Chester Meador were Mrs. Emma Keating and daughter, and Mr. and Mrs. Jack Caddell of Tulsa; Mr. and Mrs. Taylor Skipworth and children of Kress; Mr. and Mrs. J. E. McElroy and son of Plainview; Mr. and Mrs. Arlie Fewell and children of Lubbock; Mr. and Mrs. Buren Fewell and children of Dawn, and Mrs. Earl Hanks, of Grant, N. Mex. who will stay with her sister for some time.

Mr. and Mrs. R. D. Lowry were here Saturday from Lipscomb where they have been living for several months.

Mr. and Mrs. S. E. Roberts and Mrs. W. F. Heller are here from Yates City, Kansas to look after business for several days.

Rev. Charles Wilson, Mrs. Rose Pife and Mrs. Mildred Kyle were in Claude Tuesday attending a conference of the Christian Church.

Mr. and Mrs. A. B. Holt and Mr. and Mrs. Oscar Smith spent the week end at the home of Mr. Holt's parents in Perryton.

Mr. and Mrs. C. P. Overton spent Sunday in McLean where they visited Mr. Overton's father who is ill.

New Pastor Talked Tuesday at Rotary on "Man of Power"

Rev. Alfred M. Dorsett, new pastor of the Presbyterian Church, spoke Tuesday at the Rotary Club luncheon on "Man of Power." He was introduced by Oscar Gano.

Irby Carruth announced Education week in the public schools of the nation. "Know your schools," is the theme of the week and all patrons are urged to visit the schools during the week.

The club accepted the invitation of the Pampa Rotary Club to put on the program for that club on Nov. 17.

Levi Cole accepted memberships for the Red Cross and practically all members of the club took the annual membership.

S. H. Condon was a visitor.

Rev. Dorsett pointed out the fact that unless man has a desire for power he will not amount to much. If he is a lawyer, he wants to be a great lawyer; if a doctor, he wants to lead his profession. This desire moulds every action of his life.

The thirst for power is likewise true of such men as Pretty Boy Floyd, Dillinger and gangsters of their type.

Today Hitler says, "I and power," and he crushes religious beliefs which are counter to his ideas. Just now Hitler and Mussolini are in union, but in a short time their ideas will clash.

Christ came to earth when Caesar proclaimed his power through force. The speaker traced the influence of Christ and what it had meant to the world.

Congressman Marvin Jones Gives Preference on Farm Bill

Congressman Marvin Jones has issued the following statement regarding the farm bill pending in congress. Mr. Jones is chairman of the Committee on Agriculture and has been studying the bill for several months.

Most of the members of the House Committee on Agriculture seem to prefer a voluntary farm program as to most commodities.

Personally I favor the voluntary or premium method rather than penalty or compulsory control.

By using soil conservation payments and adding additional funds secured through tariff equalizing taxes, premiums can be paid to the farmer as an offset to the tariff, and he will then have a better income, and at the same time his products can flow into the markets at home and abroad.

On the other hand, the penalty or compulsory control method will tend to curtail our markets both here and in foreign countries by encouraging foreign competition and domestic substitution.

There are two extremes. Some favor production in unlimited quantities regardless of price. Others would undertake by compulsory control to gain a temporary high price regardless of its final effect on outlets and markets. A middle course that would undertake to secure a fair price and at the same time to produce all that the market will absorb in this and other countries would seem to be desirable.

It is important that our foreign markets should not be surrendered. Any adjustment or control should be shaped so these markets can be gradually regained.

Miss Eleanor Pierle of Monahans spent the week end at the home of her parents, Dr. and Mrs. C. A. Pierle.

IN THE WAKE OF FLOOD

This scene was enacted many times in refugee centers established by the Red Cross during the Ohio-Mississippi Valley flood. Inevitably floods bring the danger of disease as drinking sources become contaminated and large groups of people are thrown together. The medical-health service of the Red Cross serves thousands each year, and is maintained by membership funds contributed to the organization at the time of its annual Roll Call from Armistice Day to Thanksgiving.

W. T. Band Inspires Buffs at Sul Ross Game Saturday

The Buffaloes were inspired by the presence of the W. T. Band in their game with Sul Ross Saturday. The band arrived in Pecos Saturday at noon on its tour of West Texas towns.

A broadcast was given over Station KIUN, Pecos station, from 4:30 to 5 p. m. by the W. T. organization, which then led a football parade in which the Pecos high school band and the Lobo band participated. Between halves at the game, the band, stepping with military precision, played and marched, and were followed by the Lobo band and pep squad.

Students on the band trip, which was in charge of Prof. C. E. Strain, director, and Mrs. Anthony Dougal, chaperone, included the following: Gonda Biggers, Houston Bright, Weldon Bright, J. T. Carroll, E. C. Carver, Loretta Cole, Elwyn Dysart, Bill Fields, Judson Forbes, Frederick Forrester, Sarah Frazer, Hugh Harman, Dan Hemphill, Kenneth Hohlaus, Lawrence McBee, Joe McNeill, Wayne Marsh, Bob Orton, Raymond Raillard, Harold Rickard, Bill Roberson, Ernest Scheihagen, LaNell Scheihagen, M. D. Shepherd, Dean Storey, L. E. Thomas, Jack Veazey, Meredith Warren, Howard Williamson and Lorenzo Wirt.

The Buffaloes were accompanied on their trip by Dr. R. P. Parcells of Amarillo, Prof. W. E. Lockhart, and Olin E. Hinkle, head of the College news service. The physician for the Lobos is William Lockhart, son of the W. T. professor, and a former student.

En route home Sunday, the football party was delayed at Odessa half a day when a connecting rod in the bus engine went out. A bus was sent from Amarillo and the group arrived about midnight Sunday.

The band was slated to arrive back home late yesterday afternoon.

Hal Gamble left last week for Fort Worth where he will be joined by his mother, Mrs. J. D. Gamble and Rex who plan to move there at an early date.

Guests Sunday of Mrs. Earl Robbins were her brother and wife, Mr. and Mrs. Don Hines, and Mrs. A. Z. Carson all of Russell, Kansas; and Mrs. William Levick and daughter of Hayes, Kansas. Ray Robbins of Clarendon was also home during the week end.

Mrs. Earl Crist and son Earl, Jr. of Amarillo, and Mrs. Emma Crist of Phoenix, Arizona, were Sunday guests in the home of Misses Belle and Olive Schramm.

Mr. and Mrs. Bob Mullen, Rayburn Evans, and Bill Anderson of Pampa were week-end guests in the home of Mr. and Mrs. Dan K. Usery.

Prospective Freshman: Isn't there some course I can take and complete without giving such a long time as four years to it?

College President: That depends, my lad, on what you wish to make of yourself. When nature wants to make an oak she works away at it for a good many years. But if she only wants to make a squash she can do it in a few short months.

The college cheer-leader called for the wrong yell when he asked for "Hold that line!" The line held, all right, and was penalized 15 yards.

Brock To Teach Art Here Next Summer

Gene H. Brock, youthful San Antonio artist who won wide acclaim as pottery instructor at the Palo Duro School of Art last summer, will be a member of the art school faculty next summer, Miss Isabel Robinson has announced.

Mr. Brock reconstructed the college kiln here last summer and carried on experiments with the various types of clay found in Palo Duro Canyon. Several of the clays found in the canyon were pronounced excellent for pottery making by Mr. Brock.

Brock taught pottery classes in both the art school and on the campus last year. He has studied under A. Hart of Houston, at Sul Ross State Teachers College, Texas Tech, and California.

Tessie: Would you kiss me even if I told you not to?

Lloyd: I certainly would.

NOTICE OF ELECTION

WHEREAS, the City Commission of the City of Canyon deems it advisable to issue bonds of said City for the purpose hereinafter mentioned;

THEREFORE, BE IT ORDERED BY THE CITY COMMISSION OF THE CITY OF CANYON, TEXAS, that an election be held on the 30th day of November, 1937, at which election the following proposition shall be submitted:

Shall the City Commission of the City of Canyon, Texas, be authorized to issue the bonds of the City of Canyon, in the sum of \$10,000.00, payable serially not to exceed 20 years from their date, bearing interest at the rate not to exceed four (4%) per cent per annum, payable semi-annually, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them at maturity for the purpose of the construction and improvement of streets for said City, as authorized by the Constitution and Laws of the State of Texas.

The said election shall be held at City Hall Building, with C. H. Jarrett, as Presiding Judge, Oscar Hunt and John Fry as Judges, and Joe Black and J. P. Hix as Clerks. The said election shall be held under the provisions of the Constitution and Laws of the State of Texas, and only qualified voters, who own taxable property in said City and who have duly rendered the same for taxation, shall be allowed to vote.

The ballots for said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote.

The manner of holding said election shall be governed by the laws

of the State regulating general elections.

A copy of this order signed by the Mayor of the City of Canyon, attested by the City Secretary of said City, shall serve as a proper notice of said election.

The Mayor is authorized and directed to cause said notice of the election to be posted up at the City Hall, and at one public place in the voting place of the City of Canyon, for at least fourteen (14) full days prior to the date of said election.

The Mayor is further authorized and directed to have said notice of election published in some newspaper of general circulation published in said City, and which notice shall be published on the same day in each of two (2) successive weeks, the date of first publication being not less than fourteen (14) full days prior to the date of the election.

(Seal) C. R. BURROW, Mayor, City of Canyon, Texas.

Dalhart, 25-6

With a Homecoming crowd before them, the Canyon Eagles defeated the Dalhart Wolves Friday afternoon 25 to 6.

The Eagles scored twice in the first quarter, once in the second, and again in the final quarter. Rusk scored two touchdowns and Brasuel and Gill scored one each.

Dalhart tied the Eagles on first downs, 13 each. In yards gained rushing the Eagles made 362, Dalhart 160. The Eagles threw four passes and completed three for 24 yards, one for a touchdown. Dalhart threw 22 and completed 9 for 72 yards and one for a touchdown.

Play by Play

Rusk kicks from his 40 over the goal line. The ball is brought out to Dalhart's 20 yard line. On two plays, Williams fails to gain, and Johnson punts from his 16 to his 44 where Locke kills the ball. Gill rips around right end for a 22-yard gain. Ford passes to Hill who laterals to Gill for a touchdown. Rusk converts from placement.

Rusk kicks to the 10 where Love returns to the 23-yard line. Love, Sechrist and Williams pick up a first down. Then Williams passes to Locke who laterals to Sechrist for 12 yards and first down. The Eagles tighten down and Williams' passes fail to click, and the Eagles take the ball. Rusk, Butler, and Gill, in a series of running plays put the ball on the 4-yard line. Rusk goes over right guard to score. Rusk's try for extra point was wide.

Rusk kicks to Dalhart, and the ball is returned to the 40-yard line as the quarter ends with the score Canyon 13, Dalhart 0.

Second Quarter

Williams' passes fail to make first down, and the Eagles take the ball. The Eagles fail to make first down and Ford punts from his own 25 to Dalhart's 41, where Hill kills the ball. Williams' pass is incomplete, and Eagles are penalized 15 yards, the ball being placed on the Eagles' 41.

Williams passes to Locke who laterals to Gussenhoven for first down. Butler intercepts Williams' pass on the Eagles' 21-yard line. After two plays, Rusk runs around right end, and evading the Dalhart back, scores standing up after running 65 yards for the touchdown. Rusk's kick from placement is good, but does not increase the score because of offsides. Score is Eagles 19, Wolves 0.

The Wolves stage a number of long gains. But the Eagles tighten down and take the ball on downs. The half ends a few plays later with Canyon leading 19 to 0.

Third Quarter

Sechrist kicks to the 5 where Rusk returns to the 20 and laterals to Butler who is downed on the 15. Ford carries the ball to the Dalhart 40-yard line.

In four downs Gill and Rusk finally make it first down on Dalhart's 30-yard line. Ford fumbles and Dalhart recovers on her own 34 yard line. The Wolves stage a drive carrying the ball to the three-inch line, but the Eagles' line is stubborn and they fail to score. Ford kicks to his own 40 yard line and the ball is returned to the 30 by Hailey. The quarter ends a few moments later with the score Canyon 19, Dalhart 0.

Fourth Quarter

With the ball on the 14-yard line. The Wolves fail to make a first down. Gill fumbles and loses two yards, and Dalhart recovers. Williams in two plays carries the ball to the four-yard line. There Williams passes to Love for a touchdown. Johnson's try for extra point is blocked by Pope. Score is Canyon 19, Dalhart 6.

Dalhart gets off a short kick to the Eagles' 42-yard line. Rusk starts around right end and cuts back and runs 34 yards after reversing the field three times, placing the ball on the 15 yard line. The Eagles draw two five-yard penalties and fumble two passes from center to place the ball on the 35 yard line. Rusk plows to the 20 on an off-tackle play, but fails to make a first down. Williams' pass is intercepted by Butler on the 26-yard line. Rusk misses pass from center and is downed for an 18 yard loss. Butler is smeared for a six-yard loss. Ford passes to Rusk who laterals to Butler but passes forward and the ball is brought back. It is Dalhart's ball on her own 40 yard line. Williams passes to Locke, who throws a lateral and Brasuel intercepts it and runs for a touchdown. Rusk fails to kick extra point. The game ends, Canyon leading 25 to 6.

Tomorrow night at 8:15 o'clock the Dramatics Club will present two one-act plays, "Elmer," and "Parlor Tricks," in the high school auditorium. The admission will be 10 cents to outsiders.

The characters in "Elmer" are: Elmer Collier, a problem to his mother and sisters, played by E. W. Woods; Jeanie and Junie Collier, twins, petted by their mother, played by Dorothy Heath and Doris Marie Ball; Susan Collier, Elmer's and the twins' younger sister, who gets all the old clothes of her sisters, played by Katherine Boling; and Mrs. Collier, the mother, played by Maurine Watts. Miss Luisa Penny, a dress maker, is played by Fern Walters. Fannie Bell, a negro maid, is played by Sunshine Harden. Pansy is a nondescript dog belonging to Elmer. Hubert Brown, played by Bob Fulton, is Junie's boy friend. Russell Jameson is a friend of Hubert's and is played by Vaughn Vandergriff. Betty, Willie Mae Holman, is his girl.

In the play Janie has a date with Hubert. Susan gets an evening wrap for her birthday, and it is the first new clothes she has ever had. Her mother decides that Janie shall wear it that night, and of course Susan is disappointed.

Elmer is angry at the twins because they wouldn't give Pansy part of their meat balls. When Hubert comes, he has to go up stairs to bed because his trousers are torn and must be mended.

When Janie is ready to go, she starts to get the new wrap and—"Mother! Mother! It's gone! Mother! It's Stolen! Burglars!" What happens next remains to be seen tomorrow night.

In "Parlor Tricks" the characters are: Mellie, an old maid, played by Sue Terry; four young girls, Blanch, played by Claribel Newberry; Mebs, played by Betty Gutherie; Edith, played by Eva Griffin; and Connie, played by Kette Johnson.

They think they know all about men. Bob Miller is Mellie's companion. Mellie has received a letter from Bob, saying that he is going to call on her that night. She buys herself a new dress and is thrilled over the whole affair.

The girls find it out and decide to give her a few tips on how to win Bob.

Mellie is eager to learn and is learning rapidly when—

PRACTICE TEACHERS
VISIT CLASSES

Teachers in several subjects in Canyon High School have had visitors and have received the assistance of practice teachers recently.

Among the visitors was Robbie Foster, who is teaching at Beulah, Texas. She visited the book-keeping and English departments.

Armor Lee Greenfield visited the book-keeping class; Miss Greenfield teaches at Petersburg. Both Miss Foster's and Miss Greenfield's schools have turned out for cotton picking.

In home economics Miss Nellie Freeman has been assisted by Marguerite Hennig who worked with the first division of Home Economics I. In Home Economics II, Gonda Biggers has been teaching. The second division of home economics has been taught by Faye Cook, and in the seventh grade home economics, Ruth Dill has been teaching.

All of the practice teachers in home economics have been teaching for the past three weeks, and all except Gonda Biggers, will continue for the next three weeks. They are all seniors of West Texas State Teachers College who are majoring in home economics.

Others visiting in home economics were Jane Williams, a teacher at Allison, and Beryl Hixson, who is teaching at Hedley.

Dan Gerald has taught seventh grade agriculture for the past three weeks. He is here two days every week. He is an ex-student of Canyon High School, having graduated in 1934.

School Keeps Armistice
With Holiday

Today the Canyon High School and Grade School have a holiday to commemorate Armistice Day.

The stores will also close. At 2:30 a large crowd will see the Eagles in their last scheduled conference game at the Buffalo Stadium against the Dumas Demons.

D. E. Mariner, a junior in Hereford high school, visited school Monday. He was for many years a student in Canyon public school.

COULD WE FORGET IN ONLY
NINETEEN YEARS?

In only nineteen years, have we forgotten the unknown soldier who lies in Flanders Field and the horrors of war which he experienced?

Twenty years ago, America fought in a war to make the world safe for democracy—a war to end all wars. The Allies won the war; therefore the world is supposed to be safe from any more wars.

Since the World War, Italy has conquered Ethiopia; there has been a rebellion in Spain; Japan has invaded China.

Today Germany, Russia, Italy, England, France, Japan—all are armed to the teeth, ready to fight as soon as a bomb is dropped.

The bomb drops. Legs, arms, heads go flying into the air, blood is spilled everywhere. Millions of people are killed, costing billions of dollars. Suddenly all the youths of the world have disappeared; the war stops. Women are left widows; children have no fathers. Where once were youths, now are a few men, still young in years, but with a certain light missing from their eyes.

Who made a profit from the war? Did the young men get the glory and profit? Is lying in a cold grave unknown enough to justify fighting in a war?

Is war worth the price?

Carruth Discusses
Educational Week

"Know Your Schools" is the slogan given by Mr. Carruth to the parents of each high school pupil. The high school this week, has done several things in an effort to get the interest of the parents in Education Week.

Many discussions on Education have been made. Superintendent I. B. Carruth gave a talk on Education in the Parent Teachers' Study Club, Monday afternoon. In order that more parents would be encouraged to visit the schools this week, there was a talk on education given at the Rotary Tuesday. Pamphlets have been sent out to the parents of the pupils urging the parents of the pupils to visit school.

"Come to visit your children that are in school, talk to the teachers, and get an understanding between the teacher and your child," is the invitation extended by Mr. Carruth.

Mr. Carruth said, in his talk to the Study Club, that the American Education Week was sponsored first in 1931, by the National Education Association, the American Legion, and the American United States Department of Education. Immediately after the war these three agencies promote the American Education week as a means to focus interest upon the American schools, their offerings and their products. This week has been observed and members of the American Public have visited their schools in actual operation.

Mrs. Harvey Cash had the devotional, and Mrs. Dan Sanders made announcements and discussed problems of the Study Club.

HUTTO ACQUIRES
RECOGNITION IN
MAGAZINE

Coach Emil Hutto, who has coached the so-far winning team of Canyon High School, the past two years, has been notified of his success with the article he wrote for the "Scholastic Coach" magazine.

In his story he wrote of the great coach, Matty Bell. In the story he said, "By building up his plays in sequence and artfully mixing a tricky running attack with cleverly masked forward and lateral pass plays, Matty Bell has evolved his own particular brand of the wide-open game in the Southwest."

Coach Hutto says that "The Bell-coached team employs 30 or more plays during the course of a game. He insists that one play builds up to another. He believes that a five-man line is more effective against a running attack than a passing attack. Bell is decidedly lateral pass conscious and instructs his backs to lateral pass with impunity when cut off by the defense."

Coach Hutto has gained considerable recognition with his story. He played football at Vernon, Texas, while in high school there, and played football at Wichita Falls Junior College and Amarillo Junior College. He also played football at West Texas State Teachers College.

Mr. Hutto has taught at Merkel, Texas for two years, and his football team won eight out of nine games.

He has been teaching at Canyon for two years, and his football team has not lost a game this year and has been scored on only twice.

BAND STARTS DRIVE
FOR \$500 QUOTA

In an effort to start the raising of the \$500 Band quota, Mr. Marshall Reimenschneider held a meeting of the Canyon business men last Tuesday evening in the grade school music room.

Tuesday evening the band went to town and played several numbers on the east and west sides of the square and east of the Buffalo Grocery. When the band returned the meeting was held.

Over last Friday and Saturday Mr. Reimenschneider went to a Band Clinic at Lubbock. The main speaker was Dr. Woods, state advisor. Other speakers were Mr. Galdos of Minneapolis, H. E. Nutt of Chicago, and Bruce Jones of Little Rock. 200 band directors were present.

Monday night at the band meeting the band played the "Booster," "Circus," "Parade," "Wabash Blues" and "Big Cage." They also had a clarinet quartet with Dean Nicholas, Harry Brown, E. W. Woods, and Geraldine Hart, playing. James and John James Sharnan played a saxophone duet.

Tumblers Present
Program

The Women's Tumbling Class of West Texas State Teachers College, directed by Hazel Evans, will present an assembly program to Canyon High School next Tuesday at 2:30. The public is welcome.

FUTURE HOMEMAKERS CLUB
INITIATES NEW MEMBERS

New members of the Future Homemakers Club were entertained with an initiation last Tuesday evening.

The home economics room was dimly lighted with a lamp when the Spirit of Home Economics, played by Lillian Chambers, entered the room carrying a candle from which she lighted the candle held by the president, Margaret Stewart, so that she might follow the radiance of the light of service and help others to follow it also.

Margaret then extended the light of service to the officers of the club by lighting their candles. She also lighted candles representing the Homemakers Club, friendship, service to homes, and service in the community. Each new member was given a candle which she lighted from the candles burning on the table.

The Future Homemakers Club's pledge was written on small pieces of paper tied with purple ribbon, and given to each new member who read the pledge aloud with the president.

Marie O'Donald, pianist of the club played while refreshments of punch, cookies, and mints were served.

Garland Butler, young brother of Tommie and D. A., visited school Friday.

Kate Donnell, '37, was a visitor at school Wednesday.

Mary Jean Williams, '32, visited school Monday.

Exes Celebrate
Homecoming

Former students of Canyon High School celebrated Homecoming here Friday with a special assembly, a football game, and a banquet.

With a hearty welcome from I. B. Carruth and a great applause from the student body, the ex-students were asked to come to the stage in the high school auditorium at the special assembly last Friday.

The ex-students were introduced by Mr. Carruth, and Burney Slack, who was graduated in 1918, compared Canyon High School of to-day with the school in 1918.

A pep rally was carried on by former pep leaders, Mable Schmitz, Mary Ella Davis, and Carolyn Mayfield.

"I couldn't make a speech if I had to. Most of these people know me too well. I came here so long ago that I helped dig the Canyons," said Mrs. John Davis, one of the exes, when requested to make a speech. When Mr. Carruth asked her how good she was when she was in school, she replied, "I was a model."

Present at Assembly

Other exes that were present were: Woodrow Hicks, Pauline Moore, Jim Upfold, Viola Dooley, Armor Lee Greenfield, Mrs. Dan Higgins, formerly Pauline Harris, Anna Kathryn Overton, Billie Bee Flesher, Sarah Bonnie Bourn, Mary Collins, Dan Gerald, Mable Schmitz, Arthur Lee Chambers, Winnie Dee Hicks, Wanda Brock, Sam Robinson, Nelson Robinson, Pay Plaster, Mavis Hardin, Chris Wooten, Hosea Foster, Robert Foster, Jake Watson, Willard Childers, Bill Cone, Estil Furlow, Mary Ella Davis, Mrs. Emil Hutto, and Carolyn Mayfield.

The ex-students were entertained later Friday afternoon with a football game between Dalhart and Canyon Eagles.

Round-up at Banquet

Amid Navajo rugs, saddles, lariats, ropes, coffee pots, and ex-dressed as western cowboys, the ex-student round-up was called to order at a banquet in the Presbyterian Church basement Friday night by Foreman Clarence Thompson.

Mr. Thompson, president of the ex-students association for last year, gave a brief review of the history of the ex-student association, which was formed in 1930. He introduced the toastmistress, Mrs. John Davis, a graduate of Canyon High and now a teacher in the Canyon grade school. Mrs. Davis reviewed the history of the school and its leaders, and she in turn introduced Canyon High School's leader, I. B. Carruth, who gave the welcome to the ex-students. Louisa Fern Brian, an ex of '35, and now a student of W. T. state, gave the response in behalf of the grads who had been rounded up for the banquet.

Freda Charles Bills, ex-student of '34, gave two piano selections and Marjorie Wilkenson, ex-student of '36, led the herd in several cowboy songs. Twelve cowboys and cowgirls, originally students of Canyon High School, entertained with the scottish and the Virginia reel. The real round-up came when Mrs. Davis introduced members of classes from 1902 on up to 1937, who told of the absent members that had been graduated in their class, and introduced the members from the present class.

Miss Columbia Redfearn, of Canyon, who was graduated in 1902, told of her class which was the first graduating class; there were five members in that class, three girls and two boys; one of the boys O. B. McGue, has acquired fame in journalistic writing, and is now living in Detroit. Mr. McGue wrote a short letter to the ex-students, which was read at the banquet.

The following new officers for the coming year of 1938 were elected: President, Newton Harrell; vice-president, Mrs. Alfred Bellah; secretary and treasurer, Mary Ella Davis; board of directors: Olive Schramm, Delbert Lowes, Milton Sanders, Robbie Foster, Dewey Foster, Mrs. C. W. Warwick; Advisory Board: Mrs. John Davis, Burney Slack, and Supt. I. B. Carruth.

The Japanese claim the Chinese have violated the rules of war by using poison gas. Night calls the crow black.

Are you ready for it? Well it is here. What's here? Nothing less than the Dumas vs. Canyon football game. This game is hoped to be one of the outstanding classics of class B football in this week's schedule. The Canyon Eagles are going strong after their 25 to 6 defeat over the Dalhart Wolves last Friday in which Dalhart gave the Canyon boys the works. Dumas defeated Happy 7 to 6 early in the season. The Tulsa Hornets defeated the Happy Cowboys 37 to 0, while Canyon defeated them 32 to 0 two weeks ago Friday.

This is the Eagles' last scheduled game. Since the Eagles are on top in the conference, they will meet next week, the winner of the Tulsa-Hereford game providing they win from Dumas, who beat Happy 7-6. The Eagles are in fair condition with only one player receiving an injury last week with Dalhart.

The probable starting line up is:

Name	Pos.	Wt.

FACULTY ADOPTS NEW RINGS

The senior ring, adopted by the faculty as a standard ring is oval shaped, with a Spread Eagle and a "C" below it on the face of the ring and the words Canyon High School surrounding this. The year is on the shank of the ring.

Roberta: I'm sorry, Jack, but I have some really bad news for you tonight.

Jack: I can take it; what is it?

Roberta: I'm afraid we'll have to call off our engagement.

Jack: Why, Roberta? What has happened?

Roberta: Well, I visited a famous fortune teller this afternoon and she told me I was going to marry a handsome man.

Henry: How's your new secretary getting along, Gus?

Gus: Why man, she's a genius. She has so turned the office upside down that now I can't do without her.

Anybody can cut prices, but it takes brains to make a better article.—Philip D. Armour.

Pierle Discusses Chinese Problems At IRC Meeting

"China will win the war if she can get the arms and ammunition to do it," Dr. C. A. Pierle, head of the department of chemistry, told members of the International Relations Club Wednesday night in an address on the subject of the war in the far east. "China is stronger now financially than Japan," Pierle emphasized.

Dr. Pierle, who has spent nine years in China as a teacher, returning to this country in 1917, is well acquainted with the Sino-Japanese situation, and is recognized as an authority on the subject.

Charges International Greed

"The Peace Conference at Brussels will accomplish nothing," Pierle states, pointing out that England, as the leading world power in the conference, is afraid to engage in any controversy in the East because of her position at home, with both Germany and Italy threatening.

Pierle, admitting that his sympathies were entirely with his Chinese friends, branded the situation as "the greatest attempt at international banditry since the conquest of Ethiopia."

International greed," he charged, is back of the entire conflict. "Ja-

pan must have raw materials cheap to realize their ambition of becoming the 'greatest industrial country in the world.' Japan wants to get things for nothing to be able to compete in the open markets of the world. Japan does not need any territory for its ninety million people if it would make use of its own land," Pierle said, refuting the excuses offered by the Japanese for conquest of new territory.

Branding the Japanese as "the greatest imitators on the face of earth, and with as little ingenuity," Pierle reviewed the events in Japan's imperial policy leading up to the present crisis.

Predicts Alliance

To the question of whether or not the United States will enter the war, Pierle answered, "I do not know," pointing out that this country is now maintaining a force of marines and several warships in the region of Shanghai.

"It is expected that Germany and Italy will form an alliance with Japan 'against communism'," he added, pointing out that these are the three great Fascist countries of the world, although Japan is theoretically monarchical.

Pierle was introduced before members of the IRC at the Education Building Wednesday night by Roes Wilson, program chairman. Clarence Hamilton, IRC president, was in charge of the meeting.

Janey: Mother, I don't believe I can go to school today.

Mother (perplexed): Why, dear?

Janey: 'Cause I don't feel well.

Mother (sympathetically): Where don't you feel well?

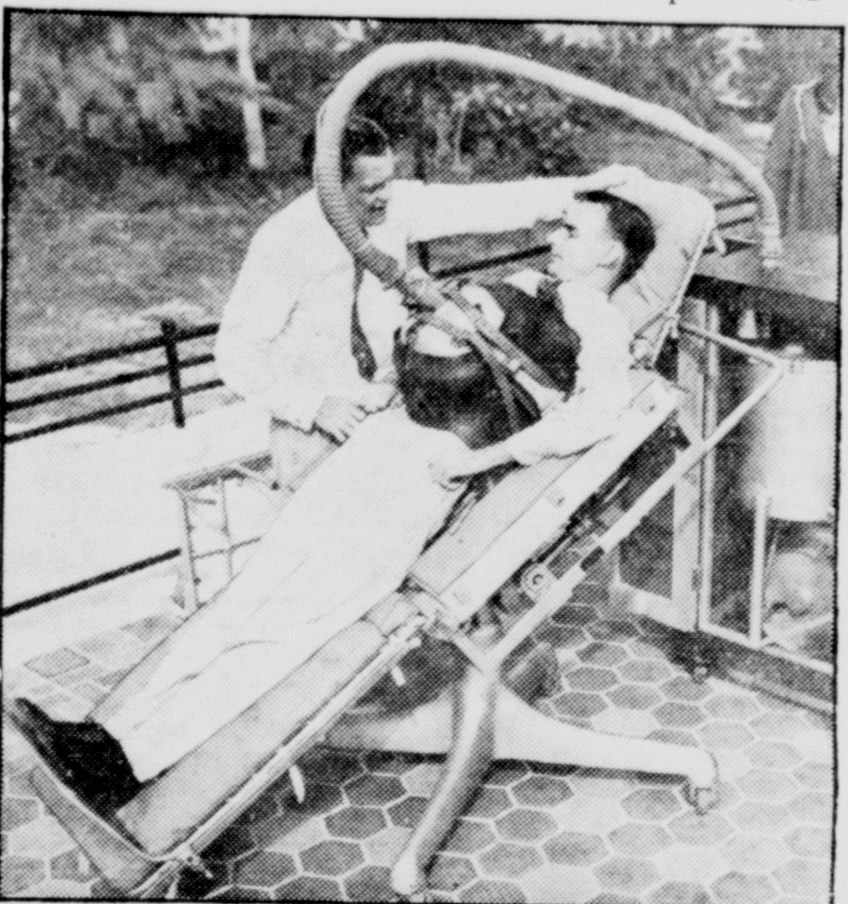

Janey: In school.

Fish Trek to Rocky Mountains For Trinidad Game

"We're not going just for the trip."

The Yearlings suffered a stinging defeat two weeks ago at the hands of Altus Junior College. However, the clash carried more punch than the 33-7 score would indicate. The Yearlings furnished a host of offensive drives that came dangerously close to pay-off territory on numerous occasions.

This week the Yearlings have been sharpening an offense that fizzled out at opportune times in the Altus fray. Passing has been stressed, but from a welter of confusing sta-

tistics emerges the very definite fact that the Yearlings will leap out with an offense not completely restricted to aerial maneuvers.

KEEP YOUTHFUL—DRINK MILK

National Milk Week

November 14 to 20

"The cow is a most wonderful laboratory. She takes the grasses of the pasture, and the roughage of the field, and converts them into the most perfect food for man. In that food there is a mysterious something which scientists have found essential to the highest health of the human race, and which can be found nowhere else. Men have sought for centuries the fabled Fountain of Youth. The nearest approach to that fountain which has yet been discovered is the udder of the cow. Without her milk, children languish, the vigor of the adult declines, and the vitality of the human race runs low."—A tribute by Hon. Frank O. Lowden, Sennissippi Farm, Illinois.

Bufs Win From Sul Ross Saturday

Revenge was sweet as the West Texas State Buffaloes battered the Sul Ross Lobos all over Pecos field with a crisp offensive and punched across counters in second and fourth quarters to earn a 10-0 decision.

Four thousand persons looked on as the Buffs carried their gridiron campaign west of the Pecos River in the first college football game played in that community.

Throughout the encounter, the Buffs ripped the Lobo line for gain after gain, but the Alpine wall buckled down to business in the shadow of their own goal posts.

A blocked punt in the early moments of the second quarter materialized in the first Bison chalk mark. Taking the ball on the 29, Fullback Dow rammed his way to the Lobo 12. Thomas and Dow collaborated to carry to the five where the drive was bottled for three downs. On the fourth, Foster Watkins stepped back to his 15 and booted a field goal between the uprights.

In the dying minutes of the fourth quarter, the Buffs punctured the Lobo wall again on runs by Murry, Thomas and Dow. The drive started on the 40 and halted on the one. The Buff cause seemed doomed until Matney lateraled to Quarterback Floyd Murry who scored around end. Dow was sent in to convert from placement.

The outstanding Alpine threat came in the third quarter when Right End Luna caught the kickoff on the 30 and raced 50 yards to the Buff 20. The Buffs stiffened and staved off the assault.

A freak play, equalled only by Matney's theft of a ball for a touchdown in the Raven-Buffalo game at Canyon occurred when Bo Graham, Lobo back, seized the ball from Dow's hands and ran it from the 11 to the Lobo 35 yard line. The Buffs had marched the ball on an 80 yard drive when it appeared certain that they would score.

In the second quarter, a pass com-

pletion, Archer to Luna for 25 yards, scared the Buffaloes when the Alpine men invaded their territory. Tomas put an end to the march when he intercepted one of Archer's passes.

The final gun ended the last advance of the Buffs, paced by the drives of Big Lwood Dow, who carried for gains of 8, 9, and 15 yards. The game ended on the Sul Ross 22 yard line.
